

INDEX

Articles not marked by any signs were published as original contributions in THE LARYNGOSCOPE. All articles marked with special signs were published in the proceedings of the various societies, as follows:

| | |
|---|-----|
| American Laryngological, Rhinological and Otological Society..... | *** |
| Nashville Academy of Ophthalmology and Otolaryngology..... | ** |
| New York Academy of Medicine..... | * |
| Minnesota Academy of Ophthalmology and Otolaryngology..... | †† |

A

- | | |
|---|----------|
| Abscess, Brain,—Ezell, Herschel..... | **571 |
| Abscess, Brain, Evaluation of Symptoms in Meningitis and,—Weinstein, M. A. | 427 |
| Abscess, Brain. Treatment of,—Flo-thow, P. G..... | 596 |
| Abscess, Otogenic, of the Brain, The History of the Surgical Treatment of,—Davidoff, L. M..... | *236-295 |
| Abscess, Peritonsillar, A New Instrument for Treatment of,—Goldman, I. B..... | 965 |
| A Case of Spontaneous Perforation of the Eardrum,—Panneton, Philippe | 786 |
| A Case Report of Generalized Meningitis of Otitic Origin with the Use of Forced Spinal Drainage as Part of the Treatment,—Allen, W. B..... | *907 |
| Acoustic Nuclei, The Function of the Central, Examined by Means of the Acoustic Reflexes,—Lorente de No, R. | 573 |
| A Critical Analysis of Methods of Physical Therapy in Rhinolaryngology,—Hurd, L. M..... | *318-468 |
| Adenoma of the Bronchial Mucous Glands,—Fried, B. M..... | *161 |
| Adenoma of the Bronchi, Two Cases of Early Carcinoma of the Larynx and a Number of Cases of So-Called, Apparently Cured by Diathermy,—Kernan, J. D..... | 760 |
| A Graduated Nasal Probe; A Sphenopalatine Needle,—Luongo, R. A. | 311 |
| Air Passages. The Proper Role of Vaccines in Chronic Infection of the Upper,—Solis-Cohen, Myer..... | 243 |
| Alcohol, Cessation of Convulsive Seizures Following Injection of, into Sphenopalatine Ganglia. Three Cases,—Sparer, Wm..... | 886 |
| Allergic Conditions, Iontophoresis in Hay Fever and,—Volk, L. D..... | 607 |
| Allergic Phenomena, The Response of, to Ionization,—Alden, A. M..... | 620 |
| American Academy of Ophthalmology and Otolaryngology, History of,—Goldstein, M. A..... | 900 |
| An Abortive and Curative Treatment for Common Colds,—Bassler, Anthony | 877 |
| An Analysis and Report of Ten Consecutive Cases of Sinus Thrombosis with Recovery.—Wolf, G. D. | 940 |
| Aneurysm, Case of Report of an, with Death,—Dorman, Purman..... | 366 |
| A New Instrument for Treatment of Peritonsillar Abscess,—Goldman, I. B. | 965 |
| A New Syringe for Removing Ceruminous Impactions from the External Auditory Canal,—Hetrick, L. E. | 560 |
| An Interesting Sinus Case,—Cullom, M. M. | **910 |
| An Observation on the Treatment of Osteomyelitis of the Skull, with Report of a Case,—Smith, C. H..... | 703 |
| Antigen (Krueger); The Use of Undenatured Bacterial,—Womack, D. R. | 554 |

IV

INDEX.

- Artificial Aids to Hearing,—Knudsen, V. O., and Jones, I. H. 48
- Arytenoids, Crossed, and Vocal Nodules,—Zerffi, W. A. C. 532
- A Safe and Humane Method of Anesthesia for Tonsil and Adenoid Operations in Young Children,—Gwathmey, J. T. *561
- A Series of Cases of Radical Mastoidectomy with Skin Graft,—Cunning, D. S. 776
- A Series of Cases of Total Laryngectomy for Cancer,—Buckley, R. E. 769
- Atrophic Rhinitis-Ozena with Special Reference as to Treatment,—Stout, P. S. 526
- Auditory Canal, External, A New Syringe for Removing Ceruminous Impactions from the,—Hetrick, L. E. 560

B

- Bacterial Antigens, The Treatment of Sinusitis by the Displacement Method, Using Ephedrine and,—Gundrum, L. K., and Semenov, Herman 858
- Basic Principles Underlying Tests of Hearing,—Knudsen, V. O., and Jones, I. H. 1
- Biochemistry, Clinical, in the Treatment of Ear, Nose and Throat Diseases,—Blackmar, F. B. 948
- Blood, Complete Removal of Tonsils and Adenoids Under General Anesthesia Without Loss of,—Rossell, R. B. 894
- Bone, Cartilage and Soft Tissues in Accident Cases, The Immediate Transplantation of,—Carter, W. W. 730
- Bone Conduction in the Animal and in the Human, Investigation on,—Kobrak, H., Lindsay, J. R., and Perlman, H. B. 657
- Bone Conduction Tests, Electro-Acoustometer for Accurate Timing and Recording of Bone Conduction,—Kafka, M. M. 343

- Brain Abscess,—Ezell, Herschel. **571
- Brain, Abscesses of the, The History of the Surgical Treatment of Otogenic,—Davidoff, L. M. *236-295
- Brain Abscess, Pseudo, Otitic Meningitis,—Rabbiner, Max 676
- Bronchial Tree. Injection of Iodized Oil into the. Passive Method Through Nose,—Goodyear, H. M. 511
- Bronchoscope, Coagulating; Safety Pin Esophagoscope. New Instruments,—Kernan, J. D. 963
- Burns, Chlorine Gas, of Inside of Right Cheek, Anterior and Posterior Pillars, Right Side of Soft Palate, Posterior Pharyngeal Wall, Larynx, Trachea and Bronchi,—Stout, P. S. 307

C

- Calculus in Submaxillary Gland. Dry Mouth, Vile Taste,—Stout, P. S. 962
- Cancer, A Series of Cases of Total Laryngectomy for,—Buckley, R. E. 769
- Carcinoma of the Larynx — Some Conclusions Derived from Personal Experience,—Beck, J. C., and Guttman, M. R. 163
- Carcinoma of the Larynx; Surgical Considerations,—Salinger, Samuel. 174
- Carcinoma of the Larynx, Two Cases of Early, and a Number of Cases of So-Called Adenoma of the Bronchi, Apparently Cured by Diathermy,—Kernan, J. D. 760
- Case of Lateral Sinus Thrombosis,—Kennon, W. G. **317
- Case of a Pseudo-Voice. Probably Esophageal Following Total Laryngectomy,—Morrison, Wallace. *155
- Case Report of an Intracranial Aneurysm with Death,—Dorman, Purman 366
- Case of Tic Douloureux Cured by Tonsillectomy,—Kornberg, M. 898
- Cases Illustrating the Management of Anterior Surface Subcortical Fistulas in Petrous Pyramid Supuration,—Myerson, M. C. *905

INDEX.

V

| | |
|---|-----|
| Ceruminous Impactions from the External Auditory Canal, A New Syringe for Removing,—Hetrick, L. E. | 560 |
| Cessation of Convulsive Seizures Following Injection of Alcohol into Sphenopalatine Ganglia. Three Cases,—Sparer, Wm. | 886 |
| Children, Sinusitis in,—Burman, H. J. | 440 |
| Chlorine Gas Burns of Inside of Right Cheek, Anterior and Posterior Pillars, Right Side of Soft Palate, Posterior Pharyngeal Wall, Larynx, Trachea and Bronchi,—Stout, P. S. | 307 |
| Chronic Sinusitis in Children. Diagnosis and Treatment. Case Reports,—Spielberg, William. | 114 |
| Cigarettes, Some Clinical Observations on the Influence of Certain Hygroscopic Agents in,—Flinn, F. B. | 149 |
| Clinical Biochemistry in the Treatment of Ear, Nose and Throat Diseases,—Blackmar, F. B. | 948 |
| Clinical Observations on the Influence of the Nasal Septum on the Development of the Nose and Palatal Arch,—Carter, W. W. | 355 |
| Colds, An Abortive and Curative Treatment for Common,—Bassler, Anthony | 877 |
| Complete Removal of Tonsils and Adenoids Under General Anesthesia Without Loss of Blood,—Russell, R. B. | 894 |
| Conservatism in Petrosal Empyema,—Hall, Colby | 421 |
| Cough Considered from an Otological Viewpoint,—Clerf, L. H. | 505 |
| Crico-Pharyngeal Functional Stenosis,—Mainzer, F. S. | 386 |

D

| | |
|---|-----|
| Deafness, Chronic, Diathermy in Treatment of, A New Technic,—Yazujian, D. M. | 230 |
| Deafness. The Treatment of Otosclerotic and Similar Types of, by the Local Application of Thyroxine,—Gray, A. A. | 741 |

| | |
|--|-----|
| Diagnosis of Hearing Impairments,—Jones, I. H., and Knudsen, V. O. | 24 |
| Diathermy in Treatment of Chronic Deafness. A New Technic.—Yazujian, D. M. | 230 |
| Diphtheria Bacillus, External Otitis Due to,—Arnold, E. M. | 346 |
| Diseases, Clinical Biochemistry in the Treatment of Ear, Nose and Throat,—Blackmar, F. B. | 948 |
| Dry Mouth, Vile Taste, Calculus in Submaxillary Gland,—Stout, P. S. | 962 |

E

| | |
|--|----------|
| Ear, Middle, and Mastoid Process, Report of Acute Infections of, at Manhattan Eye, Ear and Throat Hospital During 1934; Their Prevalence and Virulence,—Page, J. R. | 839 |
| Ear, The Relationship Between Infections of the Upper Respiratory Tract and the,—Dwyer, J. G. | 489 |
| Eardrum, A Case of Spontaneous Perforation of the,—Panneton, Philippe | 786 |
| Edema of the Retina Due to Acute Maxillary Sinusitis,—Dintenfass, Henry | 138 |
| VIIIth Nerve, Flying Blind—A Study in the Physiology of the,—Jones, I. H., and Ocker, W. C. | 405 |
| Electro-Acusto-Testometer for Accurate Timing and Recording of Bone Conduction Tests,—Kafka, M. M. | 343 |
| Empyema of Lateral Sinus,—Silver, A. G. | 336 |
| Endoscopic Work Extending from June, 1933, to January, 1935, Report of,—Maness, Guy. | **569 |
| Endoscopy in Treatment of Diseases of the Upper Respiratory Tract,—Kernan, J. D. | *323-499 |
| Ephedrine and Bacterial Antigens, The Treatment of Sinusitis by the Displacement Method, Using,—Gundrum, L. K., and Semenov, Herman | 858 |
| Epilepsy, Neuro-Otologic Studies in,—Langdon, E. E. | 70 |

| | |
|---|-----|
| Esophagoscope, Safety Pin; Coagulating Bronchoscope, New Instruments,—Kernan, J. D..... | 963 |
| Ethmoid, Osteoma of the, Report of a Case,—Bryant, B. L..... | 854 |
| Etiology of Retrobulbar Neuritis,—Dunnington, J. H..... | 685 |
| Evaluation of Symptoms in Meningitis and Brain Abscess,—Weinstein, M. A. | 427 |
| External Otitis Due to Diphtheria Bacillus,—Arnold, E. M..... | 346 |

F

| | |
|--|------|
| Fistulas, Cases Illustrating the Management of Anterior Surface Subcortical, in Petrous Pyramid Suppurations,—Myerson, M. C..... | *905 |
| Flying Blind—A Study in the Physiology of the VIIIth Nerve,—Jones, I. H., and Ocker, W. C..... | 405 |
| Frontal Sinusitis Conclusions Arrived at from over 300 Intranasal Operations,—Good, R. H..... | 389 |

G

| | |
|---|-----|
| Gland Submaxillary, Calculus in; Dry Mouth, Vile Taste,—Stout, P. S. | 962 |
| Gradenigo Syndrome of Cerebral Ventricles as Complications of Acute Suppurative Otitis Media (Report of Case with Autopsy Findings),—Mitchell, E. K., and Silverstein, Alexander..... | 214 |
| Growths, Intranasal Malignant,—Hartz, Wm. | 844 |

H

| | |
|---|-----|
| Hay Fever, and Allergic Conditions, Iontophoresis in,—Volk, L. D..... | 607 |
| Hearing, Artificial Aids to,—Knudsen, V. O., and Jones, I. H..... | 48 |
| Hearing Conservation in the New York Schools, The Medical Aspects of,—Fowler, E. P..... | 435 |
| Hearing Impairments, Diagnosis of,—Jones, I. H., and Knudsen, V. O., | 24 |

| | |
|---|-----|
| Hearing, Tests of, Basic Principles Underlying,—Knudsen, V. O., and Jones, I. H..... | 1 |
| Hematoma Auris and Perichondritis with Effusion. Window Operation for,—Howard, R. C..... | 81 |
| Hemolytic Streptococcus Meningitis of Otitic Origin. Operation. Recovery,—Cracovaner, A. J..... | 541 |
| History of the American Academy of Ophthalmology and Oto-Laryngology,—Goldstein, M. A..... | 900 |
| Hydrostatic Ionization of the Nose,—Gale, C. K..... | 110 |

I

| | |
|---|--------|
| Injection of Iodized Oil into the Bronchial Tree. Passive Method Through Nose,—Goodyear, H. M. 511 | |
| Insulin Therapy,—Beale, S. M..... | ***313 |
| Intestinal Bacterial Flora in Chronic Sinus Disease,—Parkinson, S. N. 140 | |
| Intranasal Malignant Growths,—Hartz, Wm. | 844 |
| Intranasal Operations, Frontal Sinusitis, Conclusions Arrived at from over 300,—Good, R. H..... | 389 |
| Investigation on Bone Conduction in the Animal and in the Human,—Kobrak, H., Lindsay, J. R., and Perlman, H. B..... | 657 |
| Iodized Oil, Injection of, into Bronchial Tree. Passive Method Through Nose,—Goodyear, H. M. 511 | |
| Ionization, Hydrostatic of the Nose,—Gale, C. K..... | 110 |
| Ionization, The Response of Allergic Phenomena to,—Alden, A. M..... | 620 |

L

| | |
|---|-----|
| Laryngectomy for Cancer. A Series of Cases of Total,—Buckley, R. E. 769 | |
| Larynx, Carcinoma of—Some Conclusions Derived from Personal Experience,—Beck, J. C., and Guttman, M. R..... | 163 |
| Larynx, Carcinoma of the; Surgical Considerations,—Salinger, Samuel. 174 | |

INDEX.

VII

M

- Mastoidectomy, A Series of Cases of, with Skin Graft,—Cunning, D. S. 776
- Mastoidectomy, Present Status of,—Bowers, W. C. 535-563
- Mastoiditis and Sinus Thrombosis, Staphylococcus Albus, Septicemia Secondary to; Operation and Recovery, Report of a Case,—Wolf, G. D. 227
- Mastoiditis, Mortality of Mastoiditis and Cerebral Complications with Review of 3,225 Cases, of, with Complications,—Kafka, M. M. 790
- Mastoid Process, Report of Acute Infections of Middle Ear and, at Manhattan Eye, Ear and Throat Hospital During 1934; Their Prevalence and Virulence,—Page, J. R. 839
- Memory Span Disability, The Relation Between the Short Auditory, and Disorders of Speech,—Robbins, S. D. 545
- Meningitis, Otogenic, Newer Concepts of,—Kopetzky, S. J. 827
- Meningitis of Otitic Origin, A Case Report of Generalized, with the Use of Forced Spinal Drainage as Part of the Treatment,—Allen, W. B. 907
- Meningitis, Streptococcus of Otitic Origin; Operation with Recovery,—Greenfield, S. D. 325
- Mortality of Mastoiditis and Cerebral Complications with Review of 3,225 Cases of Mastoiditis with Complications,—Kafka, M. M. 790
- Mucocele of the Frontal Sinus,—Cavanaugh, J. A. 205

N

- Nasal Septum, Notes on the Submucous Resection of the,—Berman, H. L. 184
- Nasal Septum, Polypi of the, Report of Two Cases,—Russell, R. D. 698
- Needle, A Sphenopalatine, A Graduated Nasal Probe,—Luongo, R. A. 311

- Neuro-Otologic Studies in Epilepsy,—Langdon, E. E. 70
- New Instruments, Safety Pin Esophagoscope Coagulating Bronchoscope,—Kernan, J. D. 963
- Newer Concepts of Otogenic Meningitis,—Kopetzky, S. J. 827-907
- Nose, Hydrostatic Ionization of the,—Gale, C. K. 110
- Nose, The Correction of Recent and Old Fractures of the,—Cox, G. H. 188
- Notes on the Submucous Resection of the Nasal Septum,—Berman, H. L. 184

O

- Operation, Submucous and Turbinate, The Present Status of the,—Hunt, W. M. 685
- Osteoma of the Ethmoid. Report of a Case,—Bryant, B. L. 854
- Osteomyelitis of the Skull, with Report of a Case. An Observation on the Treatment of,—Smith, C. H. 703
- Otitic Meningitis—Pseudo Brain Abscess,—Rabbiner, Max 676-907
- Otitis Media, Suppurative, Acute, Gradenigo Syndrome of Cerebral Ventricles as Complications of (Report of a Case with Autopsy Findings),—Mitchell, E. K., and Silverstein, Alexander 214
- Otogenic Abscess of Brain, History of Surgical Treatment of,—Davidoff, L. M. 236-295
- Otolaryngology, Physiological Basis of Physical Measures in,—Kovacs, R. 480
- Otological Viewpoint, Cough Considered from an,—Clerf, L. H. 505
- Otology, Scientific Status of Physical Therapy in.—Hollender, A. R. 471
- Otomycosis in Hawaii,—Trexler, C. W. 106
- Ozena, Atrophic Rhinitis, with Special Reference as to Treatment,—Stout, P. S. 526

P

- Palate, Soft, Posterior Pharyngeal Wall, Larynx, Trachea and Bronchi, Chlorine Gas Burns of Inside of Right Cheek. Anterior and Posterior Pillars Right Side of,—Stout, P. S. 307
- Parade, The Sphenoid on,—Cavanaugh, J. A. 911
- Pediatric Standpoint, Upper Respiratory Infections from the,—Schroeder, L. C. 493
- Perichondritis with Effusion, Window Operation for Hematoma Auris,—Howard, R. C. 81
- Petrosal Empyema. Conservatism in,—Hall, Colby 421
- Petrous Pyramid, Acute Suppurative Disease of the. Report of a Case with New Operative Approach,—Quittner, S. S., and Gross, S. W. 670
- Physiological Basis of Physical Measures in Otolaryngology,—Kovacs, Richard *318-480
- Polypi of the Nasal Septum. Report of Two Cases,—Russell, R. D. 698
- Present Status of Mastoidectomy,—Bowers, W. C. 535-563
- Probe. A Graduated Nasal, A Sphenopalatine Needle,—Luongo, R. A. 311
- Pseudo-Voice, Case Report of a, Probably Esophageal, Following Total Laryngectomy,—Morrison, Wallace *155

R

- Recording of Clinical Labyrinth Tests,—Hulka, J. H. 929
- Reflex, The Trigemino-cervical,—Weingrow, S. M. 375
- Reflexes, Acoustic, The Function of the Central Acoustic Nuclei Examined by Means of the,—Lorente de No, R. 573
- Report of a Case of Osteoma of the Ethmoid,—Bryant, B. L. 854
- Report of Acute Infections of Middle Ear and Mastoid Process at Manhattan Eye, Ear and Throat Hospital During 1934. Their Prevalence and Virulence,—Page, J. R. 839
- Report of Endoscopic Work Extending from June, 1933, to January, 1935,—Maness, Guy **569
- Report on the Anatomical Study of Two Hundred Petrous Portions of the Temporal Bone,—Myerson, M. C., Rubin, H., and Gilbert, J. S. *159
- Retrobulbar Neuritis, Etiology of,—Dunnington, J. H. 685
- Rhabdomyoma of the Vocal Cord—Report of a Case,—Kernan, J. D., and Cracovaner, A. J. 891
- Rhinitis, Allergic, and Sinus Exudates. The Chemical Composition of Secretions,—Buhrmester, C. C. 347
- Rhinitis — Ozena, Atrophic, with Special Reference as to Treatment,—Stout, P. S. 526
- Rhinolaryngology, A Critical Analysis of Methods of Physical Therapy in,—Hurd, L. M. *318-468

S

- Scientific Status of Physical Therapy in Otolaryngology,—Hollender, A. R. *318-471
- Septum Forceps,—Cullom, M. M. 309
- Septum, Nasal Clinical Observations on the Influence of the, on the Development of the Nose and the Palatal Arch,—Carter, W. W. 355
- Septum, Nasal, Notes on the Submucous Resection of,—Berman, H. L. 184
- Sinusitis, Acute Maxillary, Edema of the Retina Due to,—Dintenfuss, Henry 138
- Sinusitis, Chronic, The Value of X-Ray Therapy in,—Warren, E. D. 864
- Sinusitis in Children,—Burman, H. J. 440
- Sinusitis in Children, Chronic. Diagnosis and Treatment. Case Reports, Spielberg, William 114

INDEX.

IX

- Sinusitis, The Treatment of, by the Displacement Method Using Ephedrine and Bacterial Antigens,—Gundrum, L. K., and Semenov, Herman 858
- Sinus Case, An Interesting,—Cullom, M. M.**910
- Sinus Disease, Intestinal Bacterial Flora in Chronic,—Parkinson, S. N. 140
- Sinus, Empyema of Lateral,—Silver, A. G. 336
- Sinus, Mucocles of the Frontal,—Cavanaugh, J. A. 205
- Sinus Operations and Therapy. Some Features in,—Prenn, Joseph. 452
- Sinus Surgery, The Present Status of Radical,—Faulkner, E. R. 782
- Sinus Therapy, The Use of Ultra Short Waves in,—Gale, C. K. 520
- Sinus Thrombosis and Mastoiditis, Staphylococcus Albus, Septicemia Secondary to; Operation and Recovery. Report of a Case,—Wolf, G. D. 227
- Sinus Thrombosis, Case of Lateral,—Kennon, W. G.**317
- Sinus Thrombosis with Recovery, An Analysis and Report of Ten Consecutive Cases,—Wolf, G. D. 940
- Skin Graft, A Series of Cases of Mastoidectomy with,—Cunning, D. S. 776
- Some Clinical Observations on the Influence of Certain Hygroscopic Agents in Cigarettes,—Flinn, F. B. 149
- Some Features in Sinus Operations and Therapy,—Prenn, Joseph 452
- Some Improvements in Sinus Diagnosis,—Oaks, L. W., Merrill, H. G., and Oaks, L. E. 198
- Speech, Disorders of. The Relation Between the Short Auditory Memory Span Disability, and,—Robbins, S. D.545
- Sphenopalatine Ganglia, Cessation of Convulsive Seizures Following Injection of Alcohol into,—Sparer, Wm. 886
- Sphenopalatine Ganglion, The Injection of the,—Ruskin, S. L. 515
- Staphylococcus Albus Septicemia Secondary to Mastoiditis and Sinus Thrombosis, Operation and Recovery. Report of a Case,—Wolf, G. D. 227
- Streptococcus Meningitis of Otic Origin; Operation with Recovery,—Greenfield, S. D. 325
- Submucous, and Turbinate Operation, The Present Status of the,—Hunt, W. M. 563
- Surgical Considerations: Carcinoma of the Larynx,—Salinger, Samuel 174
- Sympathetic Influence (Autonomic Level),—Blackmar, F. B.**313
- Syphilis of the Tonsil. Report of Two Cases,—Mainzer, F. S. 466
- T**
- Tests of Hearing. Basic Principles Underlying,—Knudsen, V. O., and Jones, I. H. 1
- Tests, Recording of Clinical Labyrinth,—Hulka, J. H. 929
- The Chemical Composition of Secretions from Allergic Rhinitis and Sinus Exudates,—Buhrmester, C. C. 347
- The Correction of Recent and Old Fractures of the Nose,—Cox, G. H.*157-188
- The Cribriform Plate (Olfactory Groove) Meningiomas and Their Early Diagnosis,—Elsberg C. A. 712
- The Development of a Bronchoscopic Service. With a Report of 30 Cases of Endoscopy for Foreign Bodies,—Lloyd, M. S. 633
- The Function of the Central Acoustic Nuclei Examined by Means of the Acoustic Reflexes,—Lorente de No, R. 573
- The History of the Surgical Treatment of Otogenic Abscess of the Brain,—Davidoff, L. M.*236-295
- The Immediate Transplantation of Bone, Cartilage and Soft Tissues in Accident Cases,—Carter, W. W. 730
- The Injection of the Sphenopalatine Ganglion,—Ruskin, S. L. 515

- The Medical Aspects of Hearing Conservation in the New York Schools,—Fowler, E. P.*318-435
- The Need for Improved Technique in Tonsillectomy,—Holding, A. F. 458
- The Present Status of Radical Sinus Surgery.—Faulkner, E. R. 782
- The Present Status of the Submucous and Turbinate Operation,—Hunt, W. M.*563-685
- The Proper Role of Vaccines in Chronic Infection of the Upper Air Passages,—Solis-Cohen, Myer*243
- The Relationship Between Infections of the Upper Respiratory Tract and the Ear,—Dwyer, J. G.*323-489
- The Response of Allergic Phenomena to Ionization,—Alden, A. M. 620
- The Sphenoid on Parade,—Cavanaugh, J. A. 911
- The Treatment of Otosclerotic and Similar Types of Deafness by the Local Application of Thyroxine,—Gray, A. A. 741
- The Treatment of Sinusitis by the Displacement Method Using Ephedrine and Bacterial Antigens,—Gundrum, L. K., and Semenov, Herman 858
- The Trigemino-cervical Reflex,—Weingrow, S. M. 375
- The Use of Ultra Short Waves in Sinus Therapy,—Gale, C. K. 520
- The Use of Udenatured Bacterial Antigen (Krueger),—Womack, D. R. 554
- The Value of X-Ray Therapy in Chronic Sinusitis,—Warren, E. D. 864
- Thyroxine, The Treatment of Otosclerotic and Similar Types of Deafness by the Local Application of,—Gray, A. A. 741
- Tic Douloureux, Case of, Cured by Tonsillectomy,—Kornberg, M. 898
- Tonsillectomy, Case of Tic Douloureux Cured by,—Kornberg, M. 898
- Tonsils and Adenoids, Complete Removal of, Under General Anesthesia Without Loss of Blood,—Rossell, R. B. 894
- Tonsil, Syphilis of the, Report of Two Cases,—Mainzer, F. S. 466
- Transplantation, The Immediate, of Bone, Cartilage and Soft Tissues in Accident Cases,—Carter, W. W. 730
- Treatment of Brain Abscess,—Flathow, P. G. 596
- Tuberculosis of the Larynx,—Hirsch, Caesar 269
- Two Cases of Early Carcinoma of the Larynx and a Number of Cases of So-Called Adenoma of the Bronchi, Apparently Cured by Diathermy,—Kernan, J. D. 760
- U
- Ultra Short Waves in Sinus Therapy, The Use of,—Gale, C. K. 520
- Upper Respiratory Infections from the Pediatric Standpoint,—Schroeder, L. C.*323-493
- Upper Respiratory Tract Endoscopy in the Treatment of Diseases of the,—Kernan, J. D. 499
- Upper Respiratory Tract, The Relationship Between Infections of the, and the Ear,—Dwyer, J. G. 489
- V
- Vocal Cord, Rhabdomyoma of — Report of a Case,—Kernan, J. D., and Cracovaner, A. J. 891
- Vocal Nodules and Crossed Arytenoids,—Zerffi, W. A. C. 532
- W
- Window Operation for Hematoma Auris and Perichondritis with Effusion,—Howard, R. C. 81
- X
- X-Ray Therapy in Chronic Sinusitis, The Value of,—Warren, E. D. 864
